

CHARDON GIRLS SOFTBALL 2012

www.chardongirlssoftball.com

It's time to get ready for another season of softball. We had almost 400 girls last year & 27 teams. Remember, teams fill up fast so you will want to get your registration in early. Registration by mail begins on February 1st & ends on March 5th. We will accept registrations after the deadline only if needed to complete teams & there will be an additional \$10 fee per player. *If you register by the deadline, you will remain on your previous team unless you request a change or you are moving up to another division.* We are not always able to move the whole team up together but we will do our best to honor all requests. All requests are confidential.

Your level of play is determined by your age as of 1/1/12. If you wish to request an exception to our rule you must include a written request or email by March 5, 2012. Please explain in detail the reason for your request. The CGS Board of Trustees will review all requests and a decision will be rendered by the end of March. If you do not agree with the board's decision & choose not to play, you will receive a full refund. If you are interested in coaching or sponsoring a team forms are on our website.

Our program begins as early as weather permits in April, extending to approximately the third week in July for some teams, (see info below) that's more than 12 weeks of softball & for the same fee as last year, \$75/player! We hope you will join us for a fun, worthwhile recreational activity that emphasizes fair play, sportsmanship, fundamentals, respect, dedication, & teamwork.

Pixies

This division is coach pitched using a 10" soft RIF ball. Girls must be 6-8 years old or at least in kindergarten in 2011-2012. Games are played on Tuesdays & Fridays. You will play one game usually an evening either at 6:00pm or 7:30pm. This is a fun, instructional division, focusing on fundamentals, teamwork, & positive reinforcement.

Fast Pitch

There may be limited travel in this division to nearby communities. Games begin at 6:30pm. Games are more competitive in the upper fast pitch levels. Pitching is not as fast in the 10u division & emphasis is placed on instruction, positive support, fast pitch fundamentals, & team building.
